Ultra Filter

The Ultimate in Home Water Filtration Systems

The Honest Water Filter Company is proud to introduce the "Ultra Filter" whole house water filtration, a patented design by Aquamor Water Technologies.

- Sub-micron (0.015) ultra-filter**
99.99% four log reduction of any solid objects suspended in water will be removed by the filter as long as the objects are larger than 0.015 in size.
- Self-cleaning cycles**
Ensures the safest, cleanest water coming into your home
- Low operating cost and waste**
The Ultra-Filter uses very little water and electricity
- Post filters**
Add NSF certified post filters to treat chemicals and hardness
- 40" Ultra-Filter (shown) treats up to 1,000,000 gallons**
Also available in 20" model that treats up to 500,000 gallons

Shown with Silver (HWF-4925PHC) Post Filters For Chemical Reduction And Hard Water Solution For Up To 530,000 Gallons Combined Capacity.

5-Year unconditional warranty
On municipally treated water

Tested and Certified by NSF International against NSF/ANSI Standard 42 for the reduction of chlorine taste and odor.
