

Better Water For Your Family Better Water For Your Home

Reduces Organics, Chlorine, **Chloramines** and Particulates in Drinking Water!

If you are looking for highest quality whole house water treatment at an affordable price, then our Platinum Plus System is for you.

- 10 Micron "Defender" filter protects system against large particulates, sediments and turbidity.
- Finest coconut shell catalytic carbon block filter reduces organics, smaller particulates and contaminants including chlorine and chloramines that make drinking water smell and taste bad and harm your plumbing.
- Sub-micron (0.2) filter reduces 99.95% of microbial cyst bacteria like cryptosporidium, toxoplasma, giardia and entamoeba that are resistant to public water disinfection and could cause issues with your health. NSF rated to treat 120,000 gallons (dual system).
- Polyphosphates adds a hard water solution and scale inhibitor. Food-grade, FDA-approved polyphosphates treats and sequester hard water minerals and protects your plumbing from limescale formation and corrosion.
- NSF rated to treat 120,000 gallons (dual system).

- Does Not Waste Water
- Does Not Use Electricity
- Mounts on the wall to save space
- 100% Recyclable

Pinhole Leak Protection!

The Honest Water Filter is the best way to ensure you and your family are drinking, cooking and bathing in cleaner, healthier water.

Tested and Certified by NSF International against NSF/ANSI Standard 42 and 53 for the reduction of Cyst, Chlorine taste and odor.
